மாஷா... அண்மையில் இந்தியாவின் சிறந்த இளைஞராக மத்திய அரசால் கௌரவிக்கப்பட்ட அறிவியல் மங்கை. புதுமை படைப்பாற்றல் துறையில் தனது 9 வயதிலிருந்தே தேசிய அளவில் தொடர்ந்து கோலோச்சி வரும் தமிழ்ச்சி. தொடர் கண்டுபிடிப்பாளர், அறிவியல் வழிகாட்டி, தன்னம்பிக்கை பேச்சாளர், தொழில் முனைவோர், சமூக சேவகர் ஆகிய அனைத்து துறைகளிலும் தேசிய அளவில் தனக்கென தனி முத்திரை பதித்துவரும் வித்தகி.

கன்னியாகுமரி மாவட்டம் இரவிபுதூர்க்கடையை சேர்ந்த இவர் இதுவரை கண்டுபிடித்து குவித்த அறிவியல் படைப்புகள் 14க்கும் மேற்பட்டவை. இவரது பன்முகப் பண்புகள் கண்டுபிடிப்பான ரயில் கழிப்பறை இந்திய ரயில்வேயிலும், முத்திரை வைப்பான் கருவி இந்திய தேர்தல் ஆணையத்தாலும் பயன்படுத்தப்பட்டது. இவ்விரண்டு கண்டுபிடிப்புகளும், டாக்டர் கலாம், டாக்டர் மன்மோகன்சிங், மோடிஜி ஆகிய நலைவர்களின் பாராட்டுதல்களை பெற்றது என்பது குறிப்பிடத்தக்கது.

பல சர்வதேச, தேசிய விருதுகளை இவர் வாங்கி குவித்திருந்தாலும், வாழ்வின் பெரும்பாக்கியமாக இவர் கருதுவது, தனது 12வது வயதில் டாக்டர் அப்துல் கலாம் அவர்களை குடியாகத் தலைவர் மாளிகையில் சந்தித்த நிகழ்வைத்தான்! அந்த சந்திப்பு தனக்குள் ஏற்படுத்திய தாக்கம்தான் ஒரு கிரியா ஊக்கியாக தொடர்ந்து தன்னை செலுத்தி வருவதாக தெரிவிக்கிறார் மாஷா.

ஒரு கட்டத்தில் தனது ஆராய்ச்சிகளுக்கு ஒய்வு கொடுத்து விட்டு மாணவர்களுக்கு விஞ்ஞானத்தை விதைக்கும் முயற்சியில் இறங்கினார். மாஷா ஆக்கத்திறன் மையம் என்ற சேவை மையத்தினை துவக்கி ஆயிரக்கணக்கான மாணவர்களுக்கு அறிவியல் படைப்பாற்றலை கற்றுத்து வருகிறார். இம்மையத்தில் பிறிசி பெற்ற 7 மாணவர்களுக்கு மதிப்புமிக்க தேசிய விருதுகளை பெற்றுத்தந்து இந்த முயற்சியிலும் சாதனை படைத்துள்ளார் மாஷா. அமெரிக்காவில் கூகுள் தலைமையகத்தில் பெற்ற நேரடி பிறிசி இந்த மையத்தை வெற்றிகரமாக நடத்த உதவுகிறது என்கிறார் மாஷா. மாணவர்களிடையே அறிவியல் படைப்பாற்றலை ஊக்குவிக்கும் விதமாக இந்திய முழுவதும் 2.25 லட்சம் கிமீக்கு மேல் பயணம் செய்து ஐஐடி, ஐஐஎம் உட்பட 120-க்கும் மேற்பட்ட கல்வி நிறுவனங்களில் உரை நிகழ்த்தியுள்ளார். இந்த சமூக சேவைகளை கௌரவிக்கும் விதமாக தமிழ்நாடு அரசு மாநில இளைஞர் விருதும், மத்திய அரசு தேசிய இளைஞர் விருதும் வழங்கி கௌரவித்துள்ளது.

Masha Nazeem, young 'Science Lady', was recently honoured with the National Youth Award-2017, for her outstanding contributions to our Nation's development and social service. The prestigious award is a token of recognition of her supreme reign as serial inventor from the tender age of nine. She has earned for herself a status of excellence in many other fields as well : as a technology educator, as an inspirational speaker, as an entrepreneur, as a social worker etc.

Hailing from Kanyakumari District, Tamilnadu, Masha has more than 14 admirable inventions to her credit including two most widely acclaimed – the Hi Tech train toilet and the Flameless Seal Maker. The prompt acceptance of the two projects for trial, the first by the Indian Railways and the second by the Election Commission of India, has earned Masha an unassailable name as a young scientist.

Though Masha today has done herself immeasurably proud with her numerous inventions – each a milestone in her success - she still considers her first meeting with Dr.Kalam at the Rastrapathy Bhavan as one of the most memorable moments of her life. It is her humble conviction that this meeting was a kind of catalyst for being remain in this field for more than 15 years.

Selfless and service-minded by nature, Masha, by and by, decided to put on hold research, invention and self-advancement and sought to encourage the spirit of inventiveness and creativity among students. She founded Masha Innovation Centre, a service centre that caters to the needs of the students on a free of charge basis and has, so far, given guidance and training in science and innovation to hundreds of students including seven who have received prestigious national awards.

With the noble aim of popularising science among students, Masha has travelled more than 2 lakh kilometres across India and met more than 11 lakh students in various educational institutions including IITs & IIMs and given motivational speeches. It is a matter of justifiable pride to every one of us that the State and Central governments keep honouring her with prestigious and much coveted awards in recognition of her selfless and laudable service to science and society.

**Masha Innovation Center**

- Masha... The most acclaimed young inventor of India.
- She has started doing science models since her tender age of Nine.

Hi-Tech Train Toilet - Won 1 International and 2 National awards at her age of 12

Kid Masha...

## Masha designed 14 devices so far

Anti Sinking Alarm

3TK Box

Conveyor Belt System

Manual Paddy Transplanter

Flameless Seal Maker

Mechanical Porter

Hi Tech Train Toilet

Go AHED

Tea Plucking Tray

Fuel Dispenser

## Met President of India at Rastrapathi Bhavan

At her age of 12, Masha presented her project before the President of India at Rastrapathi Bhavan and also with the Railway Board at Rail Bhavan, New Delhi in the presence of Railway Minister.

Selvi Masha Nazeem  
**"Excellent idea. Greetings."**  
 [Ref : Her presentation  
 (at Rashtrapati Bhavan)]  
 Signed on 23/08/2005  
**-Dr. APJ . Abdul Kalam**  
 President of India

23-08-2005

## Appreciations from the PM

Had the rare privilege of receiving an appreciation letter from the Prime Minister of India.

### Appreciation From Prime Minister

**B. V. R. Subrahmanyam**  
 Private Secretary to  
 the Prime Minister  
 Tel : 23018939  
 Fax : 23016857  
 No. 1960/PS to PM/05  
 4th floor  
 48 Street-110 011  
 Prime Minister's Office  
 New Delhi - 110 011

Dear Nazeem,

December 27, 2005

The Prime Minister is glad to learn about your science project on a "Hi-Tech Train Toilet".

He appreciates your spirit of enquiry and innovation at such a young age and sends his blessings and best wishes for all your future endeavours.

With best wishes,

Yours sincerely,

En. K. Masha Nazeem (B. V. R. Subrahmanyam)

## Budding scientist... at the world summit

She would perhaps be the youngest (at the age of 14) person who presented research paper in a World Conference attended from 46 countries.

## Award from Hon. Shri. Narendra Modiji

On invitation, Masha has demonstrated her projects before Shri. Modi at his Residence and Received Award & Appreciation.

## The only student who made presentations with two Presidents at Rastrapati Bhavan, New Delhi

09-03-2012, Rastrapati Bhavan

Won President award & Cash prize Rs.50,000 in a function held at Rastrapati Bhavan, New Delhi.

She bagged this prestigious award, out of 36,000 entries received all over India during the year 2012

## Prizes, Awards and Honours

### 3 International awards

By World Toilet Organisation, Anna University & Tomorrow's India Global Summit

### 1 President's Award

By National Innovation Foundation under Dept. of S&T, Govt of India

### 1 President's Citation

By Dr. APJ Abdul Kalam, President of India @Rastrapathy Bhavan

### 5 National awards

By 93<sup>rd</sup> Indian Science Congress, NCERT & National Innovation Foundation

### 5 Southern India Awards

By Viswesarayya Industrial and Technological Museums (VITM), Bangalore & CII

### 1 National Research Fellowship (KVPY)

Awarded by the Indian Institute of Science, Bangalore

### 1 National Youth Award 2015-16

By Ministry of Youth and Sports Affairs, Govt. of India

### 1 Chief Minister's State Youth Award 2016

Awarded by the CM of Tamil Nadu on the Independence Day function

### 2 Governor's 2 CM's & Rly. Minister's Cash Award

By Governor of Tamil Nadu & Kerala, CM's of TN & Gujarat & Indian Railways

### Demo at Election Commission of India

On invitation, Masha made 65 minute presentation before the Election Commission at New Delhi chaired by the Chief Election Commissioner of India. The Commission has assured her to use the Flameless Seal Maker in Election Process

May you grow to kind NO DEL PRIN  
in Riba  
V.S. Sampath  
Election Commissioner

### School Student's Project used in election process

Flameless Seal Maker has successfully tested in two election booths in Kanyakumari District by the election commission.

This is the first time in India that an authoritative seal was affixed for Govt. bonafied purpose without using naked flames since the regime of Mugal Emperor Jahangir.

to salute you Masha  
(S. Y. QUADRINI)  
Chief Election Commissioner

## Participated in Indian Science Congress(ISC)

As Student Participant in  
93<sup>rd</sup> ISC @ Hyderabad

Won Special prize in  
the 93rd Indian  
Science Congress held  
at Hyderabad  
between 03-01-2006  
and  
07-01-2006

As Invited Speaker in  
103<sup>rd</sup> ISC @ Mysuru

Delivered a guest  
lecture at 103rd Indian  
Science Congress Held  
at University of Mysore  
(3-1-2016 to 6-1-2016)

## Presented Guest lectures at Industry

@ CII(Confederation of  
Indian Industry),  
Chennai

@ Hyundai , Chennai  
@ Ford , Chennai  
@ CTS, Chennai

## Talk in Premier Institutions

NIT- National Institute of  
Technology, Trichy

Talk at NIT Trichy in  
Pragyan 2015 - an  
Annual Festival of

Management and  
Technology conducted  
between 26-02-2015 to  
01-03-2015

Tamil Nadu Agricultural  
University, Coimbatore

Guest Lecture at TNAU  
in the 55<sup>th</sup> National  
Conference held on  
14-11-14 at Coimbatore.

## 100<sup>th</sup> Talk Show in Global Summit

Masha has so far  
delivered Talk shows  
more than 120  
locations across India.

Her 100th Talk show  
held at Sri Fort  
Auditorium, New Delhi  
in the Tomorrow's  
India Global Summit.

## Talk in Prestigious Institutions

### Vigyaan Bhavan, New Delhi

Made Presentation at National level Income Tax Conference at Vigyaan Bhavan, New Delhi on 24-05-2011

### IIM- Kashipur TEDx Talk

Delivered a TEDx Talk at IIM- ( Indian Institute of Management) Kashipur on 07-11-2015

### IIM- Ahmedabad

Delivered Talk at IIM Ahmedabad during the IGNITE - 2010 award function.

## Visited Many Countries for the cause of Promotion of Innovation

### JAPAN & UAE

- Visited Japan as a Guest invitee of Govt. Of Japan - selected and deputed by the Ministry of HRD / Govt. Of India
- Also visited UAE (2007) for a honour by the Indian Residents at Dubai and sharing experience with students (2015)

### USA

- One among the 8 persons selected from India, visited Google, Facebook Head Quaters at Silicon Valley, US.

- Also attended Global Summit @ Sanfrancisco

### UNITED KINGDOM

- Attended Round Square Conference 2023 at London (from 24 to 27-03-23)

### SINGAPORE

- Delivered a guest lecture at Nanyang Technological University (NTU), Singapore

### Grant from Government Of India

The Dept of Scientific and Industrial Research, Govt of India has sanctioned a grant of Rs. 30,000/- to develop a prototype model of her eighth innovation- Mechanical Porter – A novel luggage trolley which also won National & International awards.

### Won National Science fellowship

Presented the project Flameless Seal Maker at IISc(Indian Institute of Science), Bangalore and gained National Science Fellowship (KVPY Scholar)

Thus offered Direct admission to M.S at IISER, Bhopal without qualifying IIT-JEE.

### PARTICIPATED IN JAGRITI YATRA 2012

A 15 day National Odyssey

Jagruti Yatra is a 15 day National Train Journey ( in a specially designed chartered train ) that takes selected 400 highly motivated young youths from India and abroad across the nation, to develop Entrepreneurship.

As the seal maker is an useful device for Govt. sealing process, She had the rare opportunity to demonstrate her device with Two Presidents, Six Chief Ministers & Six Governors of States.

## Met Dr. Kalam 6 Times

Masha is the only student who met Dr. APJ Abdul Kalam in person 6 times - on 3 occasions when Dr. Kalam was holding the Presidency of India.

## Travelled across India for Popularisation of Science & Innovation

Travelled more than 2.25 KMs across the Nation for popularizing Science and Innovations, met more than 12 lakh students and given motivational talks and presentations in more than 125 locations

### New Delhi

Making India Innovative...

JUSTICE A.D.JAGADISH CHANDIRA  
Judge, High Court, Madras.

Chennai-600 028.  
24<sup>th</sup> January, 2023

It is my great pleasure to wish Mrs. Masha Nazeem on the occasion of the inauguration of 10<sup>th</sup> year of service of Masha Innovation Centre. I am really touched and impressed by her social responsibility to start this service center at a very young age with the sole purpose of encouraging , motivating and developing students to explore the field of science.

Innovation as “Steve Jobs “said is the ability to see change as an opportunity - not a threat.

I wish that greater success and laurels would come by as this center continues its genuine service in the development of creative thinking and innovation among the students in the field of science. Whatever be our contribution it must definitely be on the best interest and growth of humanity and mankind. I also congratulate her parents and her associates who have encouraged and supported her all along in this noble endeavour.

May the Almighty God help her to expand her horizons in her world of innovations for the goodness and betterment of the world.

To  
Mrs.Masha Nazeem

**GREETING MESSAGE**

It gives me great pleasure to send warm felicitation and sincere good wishes to Mrs. Masha Nazeem, the Founder CEO of the Masha Innovation Center on the joyous occasion of completion of seven years of good services to the student community and inauguration of 8th year of the Masha Innovation Center.

I am deeply touched by Mrs. Masha Nazeem's great achievements starting from her tender age in the field of Science and Innovations by receiving many prestigious awards from the Government of India and Tamilnadu. It is a rare quality of very few to offer under social commitment which she is an exemplary in giving the knowledge back to the society and that on a charitable basis through Masha Innovation Center which I am extremely proud of.

As I have been following the activities, I am aware that Masha Innovation center had undertaken impeccable services in the field of science and innovation especially to the scientific thirst of students which was proved by the center that seven students from your center had received prestigious National awards in the same field of science and Innovation which is highly appreciated.

Once again, I wish Mrs. Masha Nazeem and the members of Masha Innovation Centre good health, success, continued progress, and prosperity

Letter No.E1/23237/2017

Dated: 13.06.2017

**RECOMMENDATION LETTER**

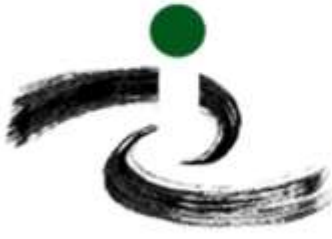

Ms. K. Masha Nazeem, aged 24, residing at 1-23B, House of Safia, Christopher Colony Road, Peruvilai, Nagercoil is a versatile personality who has brought laurels to our nation by winning 2 International, 5 National and 2 President's awards for science and innovations. During her fourteen year-long service in the field of science and innovations, she played different roles first as an inventor inventing 14 highly acclaimed inventions, next as a technology educator imparted training to several thousands of students in creative science and then as a motivational speaker conducting several talk shows among students across India. She has also had the rare privilege of meeting the late Dr Abdul Kalam six times in addition to having demonstrated her innovations before the Hon. Narendra Modiji, six Chief Ministers and six Governors of State.

In recognition of the untiring social service she has rendered, popularizing science among school students in India and producing six student National awardees through her Masha Innovation Centre, the Chief Minister's State Youth Award 2016 was conferred upon her during the Independence Day celebrations.

I strongly recommend Ms. Masha Nazeem for the National youth award 2017 for her valuable service to the Indian school students.

  
13.6.2017  
District Collector,  
Kanniyakumari District.

## GREETING MESSAGE

It gives me immense pleasure to express my heartiest congratulations to Ms. Masha Nazeem, the Founder CEO of **Masha Innovation Centre** for successfully completing seven years of great work for promoting the innovations among the young innovators of India.

The efforts of Ms. Masha Nazeem in the field of Science and Innovations are commendable. We have fond memories of her innovations when she was merely 12 years old. She has been granted a patent for her Innovation titled "Mechanical Porter Assembly" in the year 2019.

I am sure that Masha Innovation Foundation will help new generation in Incubation and dissemination of their Innovations.

I wish Ms. Masha Nazeem and the members of Masha Innovation Foundation continued success in all endeavours, good health and prosperity.

#### Message

I am happy to note that Masha Innovation Centre is celebrating its 8<sup>th</sup> year of service to the students of India encouraging students to take up science as their carrier.

Innovation Center has provided opportunities for various students to develop their creative talent and explore their ideas in the form of projects which they undertake in the Masha Innovation Centre. This activity is the need of hour to inculcate scientific temper in the student's community and also encourage them to learn science through experimentation.

I congratulate Masha Innovation Centre for their endeavor and wish them all the best in taking forward the culture of science among the students.

K. Madan Gopal  
Director
